

Welcome to Mid-Coast Maine

Known for its seafaring traditions and its natural beauty, the Mid-Coast area has been named one of the top 100 small communities in the country. Here you'll find scores of islands, a dozen historic lighthouses, and quiet little protected harbors filled with working lobster boats.

Ospreys and bald eagles nest high in the spruces along the rugged shores, puffins make the islands their home, deer browse the open fields, moose forage the wetlands, and harbor seals make their annual pilgrimage to quiet coves.

Nearby Rockland, Rockport, and Camden offer a variety of treasurable delights. You will find quaint boutiques, antique shops, and art galleries to browse in; museums, historic homes and lighthouses to visit; and theatrical and musical performances to entertain you. Seafarers will find a variety of excursions on our world renowned bay, from two hour cruises to one week trips on the famous Windjammer fleet. Hospitality is the rule of the day. You'll find access to island ferries, outstanding restaurants and galleries, first-class museums, and the retail center for the Mid-Coast region of Maine.

We are often told by our guests how lucky we are to live here. We agree and we warmly welcome you to share the experience with us.

Directions:

From points South, take Interstate 95 North through New Hampshire to the Maine Turnpike (I-95). Follow the Maine Turnpike to Exit 44, I-295 North towards South Portland/Portland Downtown. Oceanfront Rooms On Scenic Penobscot Bay.

The Ledges is a 40 unit motel located on approximately 9 oceanfront acres overlooking scenic Penobscot Bay in Glen Cove, Maine. Our property is nestled at the foot of a small cove with large lawns which gradually slope down to the shore. For those who come to relax, our hillside location offers our guests the perfect vantage point to spot tall masted schooners, sleek yachts cruising the bay, and lobster

boats hauling their traps right off our shore. Plus, we have shore access, so our guests can explore a part of the Maine Coast or take a dip in the Atlantic Ocean. Our shore is a natural habitat for Maine's sealife including crabs, lobsters, and harbor seals.

We recently updated our facility with a major renovation in 2000. Today, our motel consists of comfortable rooms which feature contemporary styling with two queen beds, two double beds or a single king, remote control cable TV, high-speed cable internet access, and individual heat and air conditioning. Our oceanfront rooms offer sliding glass doors with private balconies overlooking the bay. There is also a new outdoor heated swimming pool with views of the bay as well.

We want to ensure that your stay is a pleasurable one. For additional info or reservations, please call us at **800 898 8944** or visit our web site at **www.ledgesbythebay.com**. We look forward to serving you.
